

"They sound like they firmly belong within today's rock scene" **V13 Media** (Canada)

"Tell me it doesn't belong blasting across every radio station throughout the world" **Music Scene Media** (US)

"An absolute banger! They have such a great sound" **BSB TV** (UK)

"If you're in the crowd watching you will be singing those choruses along at the top of your lungs"
The Sounds Won't Stop (US)

Hunch Power is an Alternative Rock band from Nottingham, UK. Their catchy songs are influenced by Punk, Emo, Indie and Folk. Their lyrics are thought-provoking and relatable with punchlines and singalongs that encourage crowd participation.

Their music has been featured on **BBC Radio**, Sirius XM, Total Rock and Vive Le Rock!

They have played festivals such as **Dot to Dot**, Call of the Wild and Right to Roam. They have performed for brands including **Signature Brew** and **Banquet Records** plus charities such as **War Child**.

They've shared stages with ALT BLK ERA, Random Hand, Broadway Calls, Seán McGowan, Slackrr and their peers PET NEEDS.

Their fifth single "All I Do Is Survive" was mixed and mastered by **Frank Turner**. The next one is 'Accentuate the Negative' releasing on 3rd October 2025 with an Arts and Crafts video that defies AI.
