

"They sound like they firmly belong within today's rock scene" **V13 Media** (Canada)

"Tell me it doesn't belong blasting across every radio station throughout the world" **Music Scene Media** (US)

"An absolute banger! They have such a great sound" **BSB TV** (UK)

"If you're in the crowd watching you will be singing those choruses along at the top of your lungs"
The Sounds Won't Stop (US)

Hunch Power is an Alternative Rock band from Nottingham, UK. They straddle the line between the energy of Punk-Rock and the storytelling and introspection of Folk, giving audiences anthems to sing or dance along to, fist-in-the-air punchlines and thought-provoking lyrics to reflect on later.

Their music has been featured on **BBC Radio**, Sirius XM, Total Rock and Vive Le Rock!

They have played festivals such as **Dot to Dot**, Call of the Wild and Right to Roam. They have performed for brands including **Signature Brew** and **Banquet Records** plus charities such as **War Child**.

They've shared stages with Alt BLK Era, Pet Needs, Random Hand, Black Foxxes, Broadway Calls, Seán McGowan and Slackrr to name a few.

Their fifth single "All I Do Is Survive" was mixed and mastered by **Frank Turner**. The follow-up is "Accentuate the Negative" releasing on 3rd October 2025 with an Arts and Crafts video that defies AI.
